EPA TECHNICIAN CERTIFICATION (Section 608 Stationary Equipment)

Presented By: *Jim Laible*

DESCRIPTION

Refrigerant Certification Course. EPA technician certification review session and exam for Section 608 - Stationary Equipment, to help certify contractors as required by EPA November 14, 1994. All applicants must be pre-registered at least two (2) weeks prior to the exam date.

REVIEW SESSION (Prior to Exam)

*You will receive an Applicant Study Guide prior to the session, which will require at home study time in addition to the material that will be covered in the class. **THE REVIEW SESSION ALONE WILL NOT ADEQUATELY PREPARE YOU TO PASS THE EXAM.***
