### 1. **Next to:** Outdoor Unit Manufacturer (Systems)

**Click on:** The name of your Outdoor Unit Manufacturer.

These fields may be used to limit your search by equipment manufacturer. Most central air conditioners have an outdoor condensing unit and an indoor evaporator coil. If you would like a system with a condensing unit and evaporator coil produced by the same manufacturer select the appropriate manufacturer under "Outdoor Unit Manufacturer (Systems)". If you are interested in an indoor evaporator coil produced by a third-party manufacturer, the "Indoor Coil Manufacturer (Mix-Match) field may be used to search for these systems.

### 2. **Next To:** Indoor Unit Manufacturer (Mix-Match or Coil)

**Click on:** Unico for a complete listing. You can make specific selections by following step 2 or by using any of the other selection criteria on this page.

**Click on:** 'Search'

- ### 3. The resulting list can be sorted by clicking on the header titles. You can **export** the list or copy and paste the data to your computer.
